

# The Philosophy Circles Primary Curriculum Pack

Early Bird Offer: Only £199+VAT

**10 copies of *Philosophy Circles: How to Embed P4C in Your Curriculum*** - Thousands of hours of doing philosophy with children and teachers distilled into 48 readable, A6 pages.

**10 copies of *Thinkers' Games: Make Thinking Physical*** – the 38 games that help you to grow a community of enquiry in your classroom.

**160 Curriculum-based P4C Session Plans** – covering every subject in the Primary Curriculum, from Poetry to Ancient Egyptians to Working Scientifically.

- Written, tried and tested by us
- Designed for 30 minute sessions
- Arranged by age group, subject, and theme

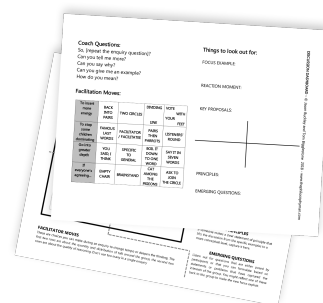

**100 Spot and Stripe videos** – We begin a debate before handing over to pupils to argue it out!

- A perfect introduction to philosophy for younger and older children alike, modelling discussion and argument through colourful, fun characters and irresistible questions.
- Organised by age group: from debates about dragons, shopkeepers and stories for Reception...
- ...to ethics, knowledge and governing for Year 6.

**Our new Enquiry Dashboard and Troubleshooter** is perfect for boosting teacher confidence in the face of the unknown. Use during discussions to deepen thinking and track their ideas. Includes a formative assessment toolbox with 32 ways to develop specific enquiry skills.

Release date is 25th August, price £249 + VAT.

Order before this release date at our Early-Bird Price of just £199 + VAT.
